

S. A. Large Herds Conference

Evolution of Excellence

Zimbali Resort, KZN | 31 May – 2 June 2026

2026 Sponsorship Packages

About the event

The SA Large Herds Conference, hosted by the Milk Producers' Organisation, returns in 2026 to the lush and vibrant province of KwaZulu-Natal – a region known for its rich agricultural heritage and dynamic dairy- and livestock sector.

Marking more than a quarter-century since the inaugural conference in 1999, this year's event builds on a legacy of shared innovation, resilience, and global collaboration. Under the theme "The Evolution of Excellence," the 2026 conference will explore how large herd operators continue to adapt and thrive through cutting-edge practices, smart technologies, and enduring leadership.

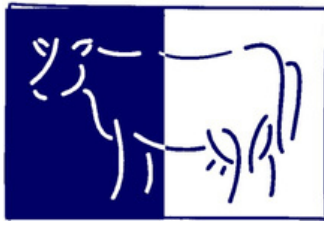

As always, delegates can look forward to an engaging blend of thought leadership, practical insights, and collaborative exchange - all within a setting that balances business with connection, inspiration, and purpose.

Why partner with us?

The 2025 SA Large Herds Conference drew a record-breaking 500 attendees, including South Africa's leading dairy producers, input suppliers, service providers, and influential industry stakeholders. The momentum continues into 2026, offering sponsors an unmatched opportunity to align with excellence and innovation in large-scale livestock farming.

As a sponsor, your brand will benefit from direct access to decision-makers, business owners, and forward-thinking producers who are actively shaping the future of the industry. The conference's high-impact programme and carefully curated networking opportunities provide the ideal platform for visibility, engagement, and long-term value creation.

We invite you to join us in KwaZulu-Natal and take your place among industry leaders driving the next chapter in the evolution of excellence.
